

DJ WANK | Technical Rider

Preferred Digital Setup

DJ Wank's preferred setup is a compact Traktor setup using a laptop, NI Kontrol X1 and Traktor Audio 2. This setup integrates with the venue's existing DJ setup and requires only a DJ mixer with two available **line** inputs.

Venue provides

- 1 × DJ mixer.with 2 available line inputs.
- 1 × Booth monitor with independent volume control.
- 1 × Power outlet.
- Enough table space for a laptop and Kontrol X1 beside the mixer.

Artist brings

- Laptop.
- NI Traktor Audio & NI Kontrol X1.
- All required cables.

Alternative Vinyl Setup

If Technics turntables are available, DJ Wank can also perform using Traktor DVS (*Digital Vinyl System*).

Venue provides

- 2 × Technics turntables in good working condition.
- 1 × DJ mixer.
- 1 × Booth monitor.
- Enough table space for a laptop and Kontrol X1 beside the mixer.

Artist brings

- Laptop.
- NI Traktor Audio 8 & NI Kontrol X1.
- Vinyl.
- All required cables.

Ortofon Concorde cartridges are appreciated if available, but are not required.

Important Notes

Stable DJ booth free from excessive vibration.
Access to the mixer's inputs for connecting the Traktor audio interface.
Sufficient lighting to operate equipment.

DJ Wank is flexible and can adapt to most standard club DJ setups.
If your venue has a different configuration, please get in touch in advance so we can arrange the most suitable solution.
